

# How To Navigate The Email Page in CHI

All domain and hosting services have their own management sections within CHI (Client Hosting Interface). This article will assist in navigating the 'Email' section found in your domain management page.

- Step 1. Log into your account at <https://chi.uk2.net>
- Step 2. Navigate to the 'Domains' section by clicking on the globe icon on the left side of the page.
- Step 3. Click on the appropriate domain name in the middle of the page.
- Step 4. Click on the 'Email' link at the top.
- Step 5. Inside the 'Email' section you can add an email account or set up a forwarding address.

“Add A New Email” - For setting up an Email Account

“Add Forwarder” - For setting up a Forwarding Address

Every UK2 domain registration includes one email mailbox and five forwarding addresses. If you wish to add more we suggest [purchasing a shared hosting plan](#) or adding the Premium Email Service through your CHI account..

If you have questions on this process please feel free to begin a Live Chat or submit a ticket from the [Support section](#) within your CHI account. We are happy to resolve any issues you may encounter.
