

How To Access CPanel in CHI

To access your Shared Hosting cPanel follow these steps:

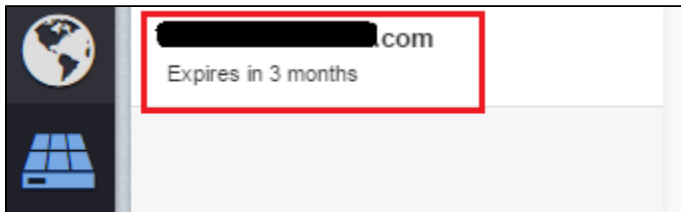

- 1 - Log into your CHI account at <https://chi.uk2.net/>
- 2 - Click on the "Shared Hosting" tab that is located on the left hand side of your page.
- 3 - Your shared hosting services will appear on the left hand side. Click on the domain you would like to view the cPanel for.
- 4 - Click on the "cPanel" link located on the top menu bar.
- 5 - Your cPanel will now open in your CHI dashboard for you to view.
