

# CHI Shared Hosting Tab Overview

This page will explain the Overview Tab under the Shared Hosting section of your CHI control panel.

- Under the Overview tab you have several options.

## To access your overview tab:

1. Log in to your CHI account at <https://chi.uk2.net/>
2. Click on the Shared Hosting button on the bar on the left side of the page, it looks like a hard drive.

3. Click on your domain name on the left hand side.
4. A new page will open showing your cPanel in a frame. Above that frame click the Overview tab.

## Under the Overview tab you have several options.

1. You can renew your service.
2. You can see your FTP and SSH details and change your password.
3. You can upgrade or downgrade your hosting service.
4. You can add upgrades and other services to your account.
